Community College League of California Annual Conference
Several of you joined me last week at the CCLC’s Annual Conference in Burlingame. It was great to participate in workshops with Trustees and administrators from throughout California. "Soaring to New Heights" was the theme this year and was a reflection of the work that has been done to forward the Student Success Initiatives. Keynote speakers included executives from Coursera and Virgin America Airlines. We were also treated to Vincent Harding, a prominent figure from the 1960s Civil Rights Movement, who challenged us to really consider the community that we serve and the community that is our college district. It was thought provoking and a great conference allowing us to connect and share with colleagues.

Thanksgiving
It is the time of year that we enjoy time to reflect upon our blessings. For some of you, this week marks the beginning of Hanukkah and for all of us, it serves as a reminder to be thankful. I am very thankful to be a part of the Coast team and wish each of you a very Happy Thanksgiving. If you can, reach out to someone that may find themselves alone this holiday season -- invite a colleague to dinner or to Black Friday shopping. Whatever you celebrate, have a restful and joyful holiday weekend.

Sincerely,

From the Office of
