The Coast Community College District Board of Trustees swore in the newest member on Wednesday – Student Trustee Lee Fuller. Fuller is a paralegal student at Coastline Community College. Fuller will take on the role of representing the students of Coastline Community College, Golden West College and Orange Coast College.

“I look forward to being a voice for my fellow students,” said Fuller. “It is my goal to advocate for the students by representing them at the Board of Trustee meetings and in Sacramento.”

“Hearing first hand from our students is so valuable to us as elected officials,” said Board President Jerry Patterson. “I look forward to working with Lee and the talented student leaders from our three colleges.”

A resident of Whittier, Fuller is a father of four and a grandfather of two. A former business owner and Hollywood producer, Fuller came to Coastline Community College to earn his paralegal studies certificate and hopes to continue his education and eventually earn a law degree.
