We are Thankful
Thanksgiving is an opportunity to realize that we have much for which we can be thankful. This holiday allows us to focus on our blessings and the freedoms we enjoy. It’s inspiring to see so many Coast Community College District faculty, staff and students in the giving spirit. Thank you for your contributions to the District and to student success throughout the year. From my family to yours, I wish each of you a joyous and peaceful Thanksgiving. Please enjoy the company of your loved ones, think about the importance of old and new friends, be safe and take time to reflect on our many blessings.
