**Election**
On Tuesday, Coast constituents casted their votes for our Board of Trustees representatives. As you may already know, we will be welcoming back Trustees Jim Moreno and David Grant, who will serve on the Board for the next four years. I would like to congratulate them both and look forward to working with them as we continue to find ways to best support our students as they earn their degrees, certificates and/or transfer to a four-year university.

**Romeo & Juliet at Golden West College**
I would like to encourage you to come out and support our students as they perform in an upcoming GWC production of William Shakespeare’s brilliant tragedy, *Romeo & Juliet*. Performance dates are November 14 - 23 in the GWC Mainstage Theater. Additionally, this production has been entered into the Kennedy Center/American College Theater Festival, where two actors will be nominated for the Irene Ryan Acting Scholarship. For additional information or to purchase tickets, please visit the GWC Theater Arts department website at [www.gwctheater.com](http://www.gwctheater.com).

**21st Annual Apple of Gold Awards Dinner**
On Thursday, I had the pleasure of attending an awards dinner for the Hispanic Education Endowment Fund (HEEF) at the Anaheim Hilton. Four recipients were recognized for their contributions toward educational achievement:

- **Corporate Partner Recognition**
  - Jill Bolton, Director of Corporate Citizenship, Disneyland Resort

- **Apple of Gold for Excellence in Education**
  - Ryan Anthony Ruelas, Anaheim High School, Former HEEF Scholar

- **Visionary Awards**
  - Honorable Frances Munoz
  - Ruben A. Smith, Esquire

It was impressive to learn that since its inception, HEEF has awarded 1,970 scholarships valued at $2.3 million. It was inspiring to see how much of an impact this organization has made on these students’ lives. It was a truly lovely evening.

Grant & Moreno Return to Coast Board of Trustees

David Grant and Jim Moreno to continue serving as Coast Trustees

COSTA MESA, Calif.— The Board of Trustees at Coast Colleges will welcome back two incumbents this December. Former Orange Coast College president, David “Dave” Grant, and Jim Moreno will serve on the Board for another term.

“I am excited to have been reelected as trustee,” said Grant. “I am humbled to see that the constituents trust my ability to serve our students and our community with excellence, and hope to go above and beyond their expectations. I have been a part of this community for so many years and feel privileged to give back.”

"I am honored to have the opportunity to serve Coast Colleges and its students for another four years," Moreno stated. “I will continue to fight for our students to ensure that they are receiving the best resources needed for graduation, certification and transfer to a four-year university. Our students are our priority and their success is our success.”

“I look forward to continue working together with Mr. Grant and Mr. Moreno, as well as the rest of the Board, as we overcome the challenges that face our community colleges,” said Board President Mary Hornbuckle. “We have much to do and our Board will continue to work together to support the needs of our constituents, our students, and our three colleges.”

“With Trustee Grant’s extensive experience in community colleges and Trustee Moreno’s exceptional leadership in the community, I am confident that our Board of Trustees will help ensure Coast Colleges upholds its reputation for quality education and service for our students and the community,” said the District’s interim chancellor, Dr. Tom Harris.

Dave Grant, OCC President Emeritus, won 67.9%, of the vote (62,497). Grant, an administrator at OCC for 34 years, served as OCC’s fifth president from 1989 until his retirement in 1995. Since then, Grant has served on the OCC Foundation Board and continued to coach the OCC Crew. During his tenure, the Pirates became a formidable rowing power in the United States. He also served as Assistant Rowing Coach for the United States for the 1984 Olympic Games.

Trustee Jim Moreno ran unopposed and will continue his service as a Trustee. Moreno has over thirty-five years of public service experience and will continue to ensure that Coast’s Board of Trustees operates within budget and the highest ethics and professionalism. During his term as Board President, Moreno was responsible for establishing greater transparency and accountability throughout the District as well as increasing the visibility of Coast Colleges through advocacy at the State and Federal levels. Moreno currently serves as a member of the California Community College Trustee Board and is serving for a second term on the Statewide CCCT Board of Directors.
