BP 7100, Commitment to Diversity

The Board supports the intent set forth by the California Legislature to assure a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds. Diversity in the academic environment fosters awareness, engagement, mutual understanding, respect, increased student success, and better enables students to flourish as citizens of the world. Therefore, the Board commits to promoting the total realization of equal employment through a continuing equal employment opportunity program.

The District is committed to employing qualified administrators/managers, faculty, and staff members who are dedicated to student learning and success. The Board recognizes that diversity in the academic environment fosters awareness, promotes mutual understanding and respect, and provides suitable role models for all students. The Board is committed to hiring and staff development processes that support the goals of equal opportunity and diversity, and provide equal consideration for all qualified candidates.

In accordance with BP 3410 titled Nondiscrimination, the District is committed to the concept and principles of providing equal opportunity in education and employment for all persons, and does not discriminate unlawfully. This commitment applies to every aspect of education and personnel actions and practices in employment, development, advancement, and treatment of employees, students and the general public.

Each employee is accountable for strict application and enforcement of the EEO Plan within his/her area(s) of authority. It is only through combined efforts that the District will successfully develop and maintain a workforce that is welcoming to all.

The Chancellor shall develop, for review and adoption by the Board, a plan for Equal Employment Opportunity (EEO) that complies with the Education Code and Title 5 requirements as from time to time modified or clarified by judicial interpretation.

The District will implement a comprehensive program consistent with Title 5 to ensure the practice of EEO principles. Pursuant to this commitment, an Equal Employment Opportunity Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

The District believes that in order to effectively address and comply with federal and state EEO guidelines, the Board of Trustees, administration, faculty and staff must recognize that equal opportunity is a shared responsibility and all must be held accountable for application and enforcement of the policies within their area(s) of authority. It is through combined equitable and cooperative efforts that the District will achieve established Equal Employment Opportunity goals and objectives.

The District will continue to monitor equal employment opportunity and diversity efforts to ensure that the recruitment, screening, selection, hiring, and promotional processes are in accordance with the EEO policies and principles.

The Coast Community College District ("District") is committed to the implementation of an EEO Plan developed according to Title 5 and adopted by the Board of Trustees ("Board"). The intent is to overcome all forms of institutional and/or personal exclusion or discrimination within the District.

Each employee is accountable for strict application and enforcement of the EEO Plan within his or her area(s) of authority. It is only through combined efforts that the District will successfully develop and maintain a workforce that is welcoming to all.

The Board supports the intent set forth by the California Legislature to assure continuing good faith efforts are made to build a community of equal opportunity. The goal is to foster a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds. Diversity in the academic environment fosters awareness, engagement, mutual understanding, respect, increased student success, and better enables students to flourish as citizens of the world. Therefore, the Board commits to promoting the total realization of equal employment through a continuing equal employment opportunity program as outlined in its EEO Plan.
