23.00 Resolutions

23.01 Resolution #20-01 Contingent Adoption of Public Agency Retirement Services (PARS) Supplementary Retirement Plan (SRP)

On a motion by Trustee Moreno, seconded by Trustee Hornbuckle, the Board voted to adopt Resolution #20-01 authorizing the SRP, contingent upon whether the final enrollment in the SRP meets the District’s fiscal and operational objectives, and approve the Agreement for Administrative Services with PARS as revised.

The goal of the SRP was to generate savings for the District by increasing the number of retirements in the 2019-2020 academic year. The SRP allowed the District to offer the Plan, conduct enrollments into the SRP, analyze the participation, and elect either to move forward or cancel the SRP depending upon the participation and whether the District’s fiscal and operational objectives had been met. If the SRP was cancelled, then resignations could be rescinded notwithstanding Board Policy 7350.

With this resolution, the Board adopted the SRP contingent upon whether the final enrollment met the District’s fiscal and operational objectives, and appointed the Vice Chancellor of Finance and Administrative Services as the District’s SRP Administrator. Approval of the PARS Agreement for Administrative Services engaged PARS to perform administrative services for the District related to the SRP.

The District proposed a retirement incentive plan with CalSTRS for eligible faculty and management employees as an alternative to participation in the Public Agency
Retirement System (PARS) retirement incentive plan. Participation in the CalSTRS retirement incentive plan precluded participation in the PARS retirement incentive plan.

The District determined, pursuant to Education Code Sections 22714 and 87488, the best interest of the District would be served by encouraging eligible faculty and management employees to retire from District service to result in a net savings to the District. Employees’ resignation from District employment would be irrevocable. However, the District would elect either to move forward or cancel the CalSTRS retirement incentive plan depending upon the participation and whether the District’s fiscal and operational objectives had been met. If the CalSTRS retirement incentive plan was canceled, then resignations could be rescinded notwithstanding Board Policy 7350.

To receive the two additional years of service credit, eligible members would retire at the end of the Spring 2020 Academic Term, or not later than July 1, 2020. Eligible members would notify Human Resources and Employee Relations of their retirement date beginning on March 1, 2020, but no later than 5:00 p.m. on April 17, 2020.
