At this time, Item 24.02 DIS- Approval of Non-Standard Purchase and Sale Agreement with Orange County Sanitation District for Orange Coast College Maritime Academy Expansion Project was moved forward.

On a motion by Trustee Prinsky, seconded by Trustee Hornbuckle, the Board voted to approve the Purchase and Sale Agreement with Orange County Sanitation District regarding real property located at 1700-1800 West Coast Highway, Newport Beach, California.

**Description of Services/Project:** In September 2007, the District entered into a Purchase Option Agreement with the Orange County Sanitation District for the acquisition of property located at 1700-1800 West Coast Highway, Newport Beach, California. This property was identified as a site that would support the expansion of facilities and programs at the Orange Coast College School of Sailing and Seamanship.

This purchase option was contingent upon the Orange County Sanitation District completing of the Rocky Point Pump Station project, and thus being able to clearly define the boundaries and restrictions of the site. Since that project has been completed, the parties have been working to finalize a purchase and sale agreement. This agreement would allow Orange Coast College to construct a facility that will support expansion of the maritime training program and accommodate additional parking (access) to both the current and proposed instructional facilities. In addition, pursuant to the purchase option agreement, this agreement ensured that the parties would work collaboratively to ensure minimal disruption to the operations of the Pump Station and Maritime Training Center.

**Term:** Effective March 24, 2016

**Fiscal Impact:** Purchase price $1,800,000 (Measure M – General Obligation Bond Funds)

OCC Maritime Training Center)

At this time **Item 26.01 Resolution #16-06 Execution and Delivery of Documents Relating to the Sale and Delivery of a Lease/Purchase Agreement, and Authorizing and Directing Certain Actions in Connection Therewith** was moved forward.

On a motion by Trustee Hornbuckle seconded by Trustee Moreno, the Board voted to approve Resolution #16-06 of the Board of Trustees of the Coast Community College District Authorizing the Execution and Delivery of Documents Relating to the Sale and Delivery of a Lease/Purchase Agreement, and Authorizing and Directing Certain Actions in Connection Therewith. To support the college’s growth and expansion, Coastline desired to acquire a property located at 17075 Newhope Street, Fountain Valley, California (the “Newhope Property”). This is a 58,314 sf building located behind the Coastline College Administration Center. The District currently owned the land and in January 2002 had issued a ground lease.
to Pelican Center, LP for 55 years. Purchasing this building from Pelican Center, LP, through the Assignment Agreement with Greenlaw Acquisitions, LLC, would provide critically needed spaces for faculty, student and technology services. The anticipated lease revenue from this property would be used to service the debt through October 1, 2026 and the remaining excess revenue would be used to provide additional on-going resource to support college general operations.

To finance this purchase, the District would enter into an asset transfer lease financing, whereby it would lease certain buildings located on the Coastline College campus (the “Property”) pursuant to a Site Lease, by and between the District and the Public Property Financing Corporation of California (the “Lessor”), and the District would sublease the Property back from the Lessor pursuant to a Lease/Purchase Agreement. In exchange for the sublease, the District would pay Lease Payments to the Lessor. The Lease would be privately placed with Umpqua Bank (the “Purchaser”). The Lessor would assign the right to receive the Lease Payments to the Purchaser in exchange for which the Purchaser would pay a purchase price that will provide the District funds to purchase the Newhope Property.

The Resolution approved the execution of the lease in a principal amount not to exceed $4,000,000, approved the private placement with the Purchaser and approved the forms of the relevant documents, including a private placement agreement between the District and its placement agent, RBC Capital Markets, LLC.

The District IT Data Center consisted of a disparate and fragmented environment with server utilization of less than 5%. This purchase would allow for the consolidation and virtualization of servers with the ability to support an Ellucian Banner ERP upgrade to Version 9. This upgrade would accommodate current and emerging technologies to better serve our students, faculty, and staff with the procurement of all servers and storage required for this upgrade.
